### TO WHOM IT MAY CONCERN

Ikemeleng Architects, represented by Mr Sibusiso Mauze, are the appointed Architects for the Refurbishment of the Tshwane Rehabilitation Centre.

The Scope of Works for the aforementioned project includes the following:

- General stripping of existing Hospital Facility;
- New floors and ceilings throughout;
- New Ablutions Facilities throughout;
- New Nursing Stations and Information Counters throughout;
- New Hydrotherapy Section;
- New electrical and mechanical Services and related coordination throughout;
- Decanting, relocation coordination;
- Repairs to building and walkway roofs, gutters and downpipes.

The total value of the works is R67,076,877-46 inclusive of VAT.

Ikemeleng Architects have performed well on this project and I have no hesitation in recommending them for similar assignments.

Yours sincerely,

Mr. T. Ramhewa  
Internal Project Manager  
Capital Works
