TO WHOM IT MAY CONCERN

**MARSHALL DAM RESIDENTIAL DEVELOPMENT, CORNUBIA,
KWAZULU NATAL**

Herewith, confirmation that Ikemeleng Architects were appointed by Andulo Investments / Kusile Africa Ventures JV as Architects for the above project. The scope of works for this project is a 1100 unit, high density, mixed income residential development, located in Cornubia near Umhlanga in KwaZulu Natal Province. The project has an estimated construction value of R 444 400 000 exc. VAT.

We confirm that the standard of service delivered by Ikemeleng Architects, represented by Mr Jonathan Manning and Mr Victor Utria, has been excellent and we are happy to recommend them for appointment on similar projects.

Yours sincerely
